

Spring 2017 *JST 3005 Tenets of Judaism*

Did you know that...

- There are more than 10 different concepts of God in Judaism?
- The concepts of resurrection and messiah come from Judaism?
- After the destruction of the Second Temple, the Rabbis instituted prayer to take the place of Temple Sacrifices?
- Judaism adapted to current circumstances again in the 19th century, giving us the Reform and Conservative movements?

Log into **JST 3005 – Tenets of Judaism** this fall to learn more about the world's oldest monotheistic religion including:

- How Jewish holidays helps Jews reenact Jewish history
- Where Jews go to find the answers to modern questions
- Why Jews don't believe Jesus was the messiah
- How four different Jewish movements shape American Jewish life
